USDA Field Tests of GM Crops

Search the Release Data

Please select your search criteria below. In the select boxes below that allow for multiple selections, please use the "Shift" and "Control" keys on your keyboard, and click, to select multiple choices for the field. To advance to a value that begins with a particular letter, select the first value in the select box and type the letter. Your cursor will advance to the typed letter.

Permit Type: (Notification, Release Permit, or Both)
